New Equipment Designation

1. The following designation was assigned 23 May 1958:

CV/A-1 . . . Converter. This unit is the version of the CV-1 converter developed by the R&D Laboratory. Essentially the same electrical specifications and characteristics are found in the CV/A-1 as are found in the Agency developed CV-1.

25X1

2. This designation was made on a tentative basis pending approval of this memorandum.
